

## June 2021 Session Notes:

- Thank you, Westminster church family! Your response to the Bus 'N Boots support for Christian Community Assistance was GREAT! \$2,092! Your hearts and hands in this endeavor will enable others to get boots for jobs and/or be able to get to those jobs, training school and other life events they would not otherwise be attending!
- Also thank you for your generosity to Nathan and Drew. Your support and gratefulness for the work of these two young men was evident in your contributions.
- The power surge/outage last week resulted in damage to various electronics, including the fire alarm system and fire control panel. Repairs are underway.
- Some of the doors to the Narthex portion of our building have not been operating properly for a long time but this issue is currently being addressed with the hope of repair in the not too distant future.
- New lighting should be installed in the sanctuary for the chancel within the next week.
- New Church Directories will be available at church on the coming Sunday, and plans for a new pictorial directory are "in the works" for the fall.
- Session has voted to eliminate all mask requirements beginning July 4, leaving masking decisions solely to the individual.
- Your current session members are Rick Bargas, Larry Bartlett, Becky Bittle, Bob Bittle, Alice Carter, Donna Christian, Gordon Couch, Becky Earley, Kaye George, Susan Green, Mark Judice, Barry Miller, Alex Seleny, Chris Sullivan and Barbara Wheeler. Contact information is available in the church directory or through the church office. Please feel free to contact any one of them if you have any questions or concerns.
- The Pathfinders Class meets at 9:00 a.m. and is studying of the book of Acts; please bring your Bible (but extras will be available).
- The Friendship Class meets at 11:15 a.m. with Donna Christian for a study based on the book, *Lies My Preacher told Me: An Honest Look at the Old Testament*.
- A Confirmation class will be starting soon. Anyone thinking of baptism or of potential membership is requested to contact the church office for information.
- Any one willing to lead a children's Sunday school class is encouraged to contact the church office for information.
- There are four tablets available for those who wish to participate in the Sunday worship and Wednesday mid-week ministries but do not have computer, tablet or other way to connect with our services online. Access through tablets is easily learned and there are tech people who can easily and quickly explain the process.
- Session thanks the continued commitment of the Worship Team and participants, as well as the Tech Team involved to provide Sunday morning worship in several platforms for viewing.
- Please be in prayer as session and its Teams continue to discern God's will for Westminster, its mission and ministries.
- Please continue to join us in daily prayer at noon - or as close as possible - as we continue to lift our collective prayer for God's will for His church at Westminster, as well as prayers for our first responders.
- Reminder: Session minutes are available, upon request, through the church office.
