

Come join our **Early Learning Fun** with other children as we learn to *share and take turns, develop feelings of success and security, explore and expand our interests and abilities, listen to others, and express our thoughts and ideas.*

We nurture our **Early Learners** in a safe environment that allows for growth and exploring through *science, creative art, housekeeping, books, music and listening.* We also enjoy our *block corner, water and sand play.* Everyone enjoys our “Fun Visitors” – a Fireman, a Dentist, and a Clown, to name just a few.

Our **Early Learning Activities** are designed so that each child may have a chance to *build their self-confidence, develop a quality vocabulary, be encouraged to recognize differences in sound, size, shape and color.* During Storytime, children develop an interest in new ideas, imagination and learning about people.

Westminster Presbyterian Church

9:00 AM until 2:00 PM
